

## SENIOR ENVIRONMENTAL PROFESSIONAL

*project diversity, career advancement, flexibility  
exceptional pay for exceptional candidates*

### THE JOB

This engaging and exciting job provides hands-on and supervisory opportunities in a multifaceted environmental field, with career advancement and management growth.

The position will be based in beautiful Terrace, BC, a fun and family-oriented community, with many local amenities and access to an abundance of outdoor activities including incredible fishing, skiing, mountain biking and hiking.

### AT WESTLAND

Westland Resources works throughout Northwest BC on diverse natural resource management projects in the Energy, Forestry, and Infrastructure fields. For over 20 years our services have included strategic, tactical and operational advice; research and assessments; development and permitting; operational implementation, monitoring and supervision; economic and community development; and all-round problem solving. Our clients include First Nations, energy corporations, forest licensees, infrastructure developers, and all levels of government.

### RESPONSIBILITIES

The Senior Environmental Professional will:

- **Lead** environmental monitoring for an array of development projects in relation to fish and wildlife
- **Lead** fish and wildlife restoration projects
- **Lead** stewardship projects
- **Lead** environmental assessments, environmental management plans, and all related reporting and permitting
- **Lead** environmental data collection and associated reporting
- **Develop and Mentor** junior and intermediate staff
- **Build** client capacity

### QUALIFICATIONS

You are:

- **Well-rounded** with solid experience in fish and wildlife related projects, ideally with 10 more years experience, and have a technical diploma or a Bachelor of Science degree
- **Experienced** with report writing and competent in Microsoft Office™ applications
- **Knowledgeable** about and experienced with environmental permit preparation and processes
- **Team-oriented self-starter** looking for diversity and career growth
- **Quick and adaptive** learner that enjoys working in the natural environment
- **Open and positive** with clients and government agencies

**Assets would include** - registered with the BC College of Applied Biology or another regulatory body that entitles you to be a qualified professional; electrofishing certificate; swiftwater rescue certificate; first aid; familiar with the use of off-road vehicles.

**Westland will provide excellent pay for exceptional candidates.** We also offer a comprehensive benefits package, including profit sharing.

Attitude is just as important as experience: we take great pride in the work we do and in contributing to the success of our clients. We are a SAFE Certified company.

If you'd like to work with us, please email your resumé and cover letter with a summary of qualifications and experience to [WLR@westlandresources.ca](mailto:WLR@westlandresources.ca).

*We thank all persons who apply; however, only those selected for an interview will be contacted.*
