

Career Opportunity

Innovative. Practical. Professional.

That's what we are. That's who we're looking for.

Planning and Development Professional

You will:

- Lead or support the preparation and implementation of plans for land use, forest stewardship, pipeline clearing, community wildfire protection, or treaty negotiation and implementation
- Lead and mentor staff in the various aspects of forest and energy development and permitting
- Support clients' economic and capacity development initiatives
- Support or lead road, logging, construction, or silviculture supervision

You are:

- Well-rounded and have solid experience in forest development and permitting, as well as in natural resource planning, with a good understanding of BC natural resource legislation and policy. Operational (road, logging) supervisory experience would be an asset.
- Open and positive with clients and government agencies
- Looking for diversity and career growth
- Proficient and efficient in a dynamic open-office environment using MSWord™ and Excel™. Competency in ArcGIS™ would be an asset.
- Ready and happy to assist as necessary in the field
- A quick and adaptive learner and practical problem solver, and
- Registered (or eligible to register) with the Association of BC Forest Professionals.

Based in beautiful Terrace BC, Westland Resources works with First Nation, industry, and government clients. We provide natural resource management services, including

- Strategic and tactical plans and capacity development
- Pre-development, permitting, and operational planning
- Operational supervision and environmental monitoring
- Project management and implementation
- Resource analyses and evaluations
- Policy analyses, advice, and negotiation

We take great pride in the work we do and in contributing to the success of our clients.

If you'd like to work with us, please email your resumé and cover letter with a summary of qualifications and experience to WLR@westlandresources.ca.

We thank all persons who apply; however, only those persons selected for an interview will be contacted.
