

Career Opportunity

Forestry Field Supervisor

Based in beautiful Terrace BC, Westland Resources works throughout Northwest BC on a diversity of projects in the Energy and Forestry fields. Our services cover the spectrum from strategic advice through development and permitting and on to operational implementation and post-project supervision. Our clients include First Nations, energy corporations, forest licensees, and all levels of government.

We have an immediate opening for a Forestry Field Supervisor. This is a permanent, full time position, with opportunity for advancement in planning, operations and/or silviculture.

You will:

- Lead and mentor staff in forest development activities such as road and harvest system layout, design and mapping, cruising (coastal and interior), waste & residue surveys, and permitting
- Support the preparation and implementation of plans for forestry activities, pipeline clearing, and/or community wildfire protection, and
- Help build the competencies of junior staff and the capacity of client staff.

You are:

- Well-rounded with solid experience in Forest Road and Cutblock Layout (cable and ground systems), and/or Cruising and Waste & Residue surveys
- Experienced with GPS technology and competent in RoadEng™, ArcMap™, and Microsoft Office™ applications
- Knowledgeable about - and ideally experienced with - forestry permit preparation and processes
- A mentor to junior staff including Assistant Field Leaders
- A team-oriented self-starter looking for diversity and career growth
- Proficient and efficient in a dynamic open-office environment
- A quick and adaptive learner that enjoys working in the woods, and
- Open and positive with clients and government agencies.

It would be great if you are registered (or eligible to register) with the Association of BC Forest Professionals.

Attitude is just as important as experience: we take great pride in the work we do and in contributing to the success of our clients. We are a SAFE Certified company.

Westland Resources offers competitive wages and a comprehensive benefits package.

If you'd like to work with us, please email your resumé and cover letter with a summary of qualifications and experience to WLR@westlandresources.ca.

We thank all persons who apply; however, only those persons selected for an interview will be contacted.
